PARENTAL QUESTIONNAIRE

Thank you to everyone who took the time to complete our parents' questionnaire. As a school, we are always looking at ways we can improve our provision for your children. During Parents' Evening on 16th and 17th October 2018, 94 questionnaires were returned. Please see a summary of the findings overleaf.

EYRESCROFT REMEMBERS...

Year 6 led a beautiful and moving Remembrance assembly along with guest of honour Veteran Shawn Arthur. The children spoke of what remembrance meant to them.

YEAR 1 VISIT TO SPACE CENTRE

On Tuesday, 13th November Year 1 enjoyed a trip to the National Space Centre in Leicester.

Highlights of the day included watching a show in the Sir Patrick Moore planetarium,

going up in the Rocket Tower and looking at interesting artefacts, including space suits. The children had an amazing time, and learnt lots of new facts linked to our current topic 'Moon Zoom'. A big thank you to all of the adults who came with us.

YEAR 5 VISIT TO SPACE CENTRE

Year 5 also spent a fantastic day at the National Space Centre. We thoroughly enjoyed looking at the life size rocket and all the hands-on exhibits. The planetarium was incredible with its interactive display of our solar system and we also learnt about some of the stories the Greeks told to explain the constellations in the sky.

YEAR 4 ICE SKATING

On Wednesday, Year 4 went on a special trip to the Ice Rink. Lots of us had never been ice-skating before, but we were super brave and had a go. Some of us held on to the penguins to help us get our balance whilst some of us zoomed off on the ice! Lots of us fell over but we didn't mind. We got straight back up and had another go. It was really cold but really fun!

FAMILY QUIZ NIGHT

Our first PTA Family Quiz Night was a huge success. Well done to Team Spirals!

CHILDREN IN NEED

Thank you to everyone that supported Children in Need. We raised £341.01.
