

# Eyrescroft Primary School

## Newsletter June 2019

### THE END OF JUNE ALREADY!

The end of June already! This academic year is flying by. This has been such a wonderful term for our children and it has been lovely seeing so many parents in school for different events. Thank you for supporting school and attending events and being flexible as unfortunately the weather has led to several postponements. As we now enter the last part of the academic year we have a range of exciting things going on for the children, fingers crossed for some sunshine!

### DANCE CLUB AT THE CRESSET

Oh what a night! The Dance Club really did Eyrescroft proud on Wednesday, 19th June at the Primary School Dance Festival at the Cresset. They performed a fantastic routine to Nena's 99 Red Balloons. Well done!

### CHANGE OF MAY DAY

In light of the recent change of May Day from the Monday, 4th May 2020 to Friday, 8th May 2020 for VE Day anniversary. School will be closed **Friday, 8th May 2020** and open as normal on Monday, 4th May 2020.

### MOOR FARM VISIT

Year 5 had a visit from Judith of Moor Farm, Newborough. We

learnt about which crops effectively grow in our area, their purpose and the variety of animals raised on the farm. Judith also taught us about the importance of animal welfare and the rigorous standards needed to provide us with quality assured meat in our shops. We also made our own delicious butter, which we enjoyed eating in the afternoon, and investigated the different grains used in our food.

### FATHERS DAY LUNCHESES

Thank you to everyone that came to the Fathers' Day lunches. It was really lovely to see you all. It looked like everyone had a really good time. There were certainly lots of happy faces. Thank you to the ladies in the kitchen for preparing all the extra lunches and to the lunchtime staff that helped out.

### YEAR 6 SLEEPOVER

Year 6 enjoyed their sleepover in school on Thursday night. They enjoyed takeaway pizza.

### KS2 SPORTS DAY

KS2 took part in two main activities - class v class events and the afternoon races.

In the morning, they were split into 3 teams per class and competed in football, benchball and kickball. The overall winners were, Otters, Hedgehogs, Elephants and Bats.

The afternoon consisted of all the traditional sports day races with an additional competitive edge,

with half of KS2 against the other half. In the end, the classes in Team A ran out winners with a score of 536 points.

Many thanks to all the parents that attended and an even bigger well done to all those that were pressured into racing at the end!

### EYFS SPORTS DAY

Reception had their first mini sports day, competing in all of their races. All the children were fantastic and completed all of the races with big smiles.

Thank you to all the parents that were able to come and cheer their children along. The children also loved seeing you in the parents race at the end.

### Fingers crossed for sunshine for KS1 Sports

Day next week -  
**Tuesday, 2nd July**
