Please ensure that you wear your Identification name badge or visitors sticker at all times whilst on the premises.

If you see any unaccompanied visitor or people acting suspiciously please report this to a member of staff **immediately**.

Confidentiality needs to be respected at all times. Breaches in confidentiality will be taken very seriously including communicating information through Social Networking sites.

Further safeguarding information can be found at the main school office.

KEEPING CHILDREN SAFE

If at any time during your visit to Eyrescroft you have any concerns about a child or a child discloses any information that concerns you it is **your responsibility to report this** to one of our designated Child Protection teachers.

You may also be required to complete a cause for concern form which can be found in the Inclusion and Welfare Manager's Office.

If you feel a pupil is at risk or is the subject of abuse you must contact one of our designated child protection teachers for Child Protection immediately.

It is vital to report anything that causes you concern no matter how minor it may seem. Every bit of information is vital and forms part of the bigger picture.

You should immediately report any of the following signs:

If the pupil has unexplained bruising or untreated injuries.

If the pupil is talking about violence at home.

If the pupil is acting in a way which is inappropriate for their age.

If the child is anxious, scared or withdrawn.

If the pupil is showing signs of neglect.

If a child discloses to you....

Listen to the child.

Avoid using leading or closed questions.

Don't make assumptions—take what they are saying seriously.

Never promise to keep a secret.

Stay calm and reassure the child.

Record exactly what has been said using the child's language.
