

WELCOME BACK

Firstly I would like to say a huge welcome back to all of our children and families, we have missed you very much and I cannot tell you how wonderful it is to have your children back in school happy and wanting to learn. I am very proud of how the children have come back to school as I'm sure you all are!

Secondly, I would like to officially welcome all of the Dragonflies who have had the most fantastic start!

Thirdly, a huge thank you to all of our families who have been patient and supported us while we work around reopening school, following guidelines and ensuring school is as safe as we can make it, including the challenging start and finish times. It is a challenging and uncertain time but with your support we will get through this time together. I am aware that the guidelines and restrictions can make communication more challenging at times but if you are ever in any doubt or have a question or something you would like to share, please do phone the school office. Keeping lines of communication open has never been so important.

And finally, I would like to reassure you that despite restrictions and guidelines we are ensuring that your children enjoy their learning and being in school and I look forward to sharing examples of this with you as the term goes on.

WHAT AN AMAZING START!

Dragonflies Class have truly amazed me this week! They have all settled in so well and have had a fantastic start to their school journey. We have been very busy this week making new friends and exploring our learning environment. Today we had a fire practice and I was so proud with how sensible all of the children were!

COVID-19 INFO

We have created a page on the school website with information with regards to the COVID-19 situation. We will continue to update this page as and when new information is available.

CURRICULUM INFORMATION

Your child should have brought home a copy of their class curriculum information which includes details about your child's PE day.

MONTHLY BLOG

Due to current restrictions you may not feel as involved in your child's learning as you would like so in order to try and overcome this, all teachers will be producing a monthly blog on our school website. They will share further information about the wonderful activities that your

children are doing and the learning that is taking place. Look out for the first blog coming out **Monday, 28th September.**

ILLNESSES

We are fully aware due to the current pandemic you may feel confused or unsure what to do if your child is unwell. Please see COVID-19 related absence from school - quick guide for parents. A copy is also available on the school website.

NO NUTS SCHOOL

Please can you ensure that your child does not bring any food items into school that contain nuts. We have some children in school with severe allergies.

REFILLABLE WATER BOTTLE

Please can you send your child in with a refillable water bottle each day.

SOCIAL DISTANCING

Please may we remind you, wherever possible, to remain two metres apart from staff and other families when on the school premises.
