

Eyrescroft Primary School

Inspire. Achieve. Celebrate.

Dear Parents and Carers,

I would like to welcome everyone back after the summer holidays. I hope you had a good break. It has been a good start and the children all seem very enthusiastic about starting the new term.

The children look very smart in their uniform. We are really grateful to parents for making sure that all of our children are ready to be part of our school once again.

Thank you.

Mrs F Perkins

FOES AND PARENTS IN PARTNERSHIP GROUP

At Eyrescroft Primary School we recognise the importance of, and value, parental and carers involvement in the life of the school. As I mentioned at the parents' meeting last summer, I would like to set up two groups:

I would like to re-introduce the 'Friends of Eyrescroft School' Committee (FOES). This committee has, in the past, helped to raise funds for the school which subsidises school trips and pantomimes. They also organise discos, school Fayres and other events to help to raise the funds for the school. If you have a few hours spare and are interested in helping us to help your children then please do come and join us. We will hold regular meetings to organise events across the year.

I am also keen to set up a new group called 'Parents in Partnership' Group. The aim of this group is to be a voice for parents in school on issues that are important to them and their children and to support the school in building on our home/school partnership.

If you are interested in joining either of these groups, please speak to a member of staff in our school office.

KS1 - Inga KS2 - Charlotte

ATTENDANCE THIS WEEK

The class with the highest attendance this week is Miss Noulty's Nightingale Class in Year 2 with 100%. Well done!

The school's overall attendance was 94.56%.

PSHE award theme for next week is:

'Try to make our school community a better place'

MEET OUR STAFF... MRS WILSON

Hello, my name is Mrs Wilson.

I joined Eyrescroft Primary School as a part-time class teacher last June but this September I look forward to having my own class. I have spent last term getting to know the children and staff. I would like to thank everyone for being so welcoming and friendly.

Since graduating from York St. John University eight years ago I have taught in schools in both Peterborough and Huntingdon. I have been lucky enough to teach across all age groups; from Early Years up to Key Stage Two.

I have a little boy who is eleven months old, who keeps me very busy! As a family we enjoy days out and going for long walks.

I am looking forward to this term and planning lots of exciting learning experiences!

PARENT/TEACHER EVENINGS

We would like to invite you to school to meet with your child's class teacher to talk together about how your child has settled in.

The meetings are a good opportunity for us to further develop a good relationship with you and for you to find out how you can best support your children at home. You will also be able to look at your child's work.

We encourage all parents to attend and will do as much as possible to accommodate your requests for appointments. All appointments are for ten minutes.

Parent/Teacher evenings will take place on:

Monday 16th November 2015 from 3:30pm to 6:00pm
and
Wednesday 18th November 2015 from 5:00pm to 7:30pm

Further details will follow closer to the time.

EXTRA CURRICULAR CLUBS AND ACTIVITIES

Extra Curricular activities are an important and exciting feature of school life and contribute enormously to our children's social and academic development.

We are in the process of finalising the details of the extra curricular clubs and activities we will be offering this term.

Some of the clubs will include:

'Reading for pleasure'
Choir
School Council/Eco Council
Scrap booking/card making
Homework Club
Arts and Crafts
Gardening Club
Dance
Construction Club

More details, including how to sign your child up for a particular club, will follow next week.

FARM TRIP

In the last week of the Summer Term, the Peace Ambassadors and members of Eco Council, School Council and Gardening Club went on an amazing trip to Moor Farm in Newborough.

We learnt lots of things about how the farm worked, what crops are grown, collected things from the animals and the farm environment whilst enjoying a walk around the farm. We were also lucky to have a ride on a tractor trailer and also sit in a combine harvester.

We had a really fun day!

FOOTBALLS IN SCHOOL

A reminder that personal footballs are not allowed to be brought into school.
