

## CLASS NOTICES

### Reading

All children will read every day in school and we hope parents will do the same at home. Please bring books in on a **Monday** to be changed in school. A new book will then be sent home on a **Wednesday**.

### PE

PE will take place on a **Thursday**. Children can come to school in their kit on PE days. We currently do PE inside in the hall but as the weather begins to improve we may start to do PE outside, so please bear this in mind when choosing your PE kit for the day. **Please ensure your child brings in a water bottle everyday.**

### Homework

Please continue to post to tapestry from home. If your child does something at home which is a 'wow' moment please share it to tapestry and then we will celebrate this moment in school. A half termly challenge sheet will be sent home with activities for your child to complete at home.

### Note

Please continue to check tapestry daily for any posts about your child's learning. There are regular weekly updates about what your child is learning in school. If you need help logging in please speak to a member of the EYFS team.

## Class Curriculum Information

Year EYFS  
Summer Term 1  
2020/2021

**All creatures great and small**

## ENRICHMENT AREAS OF LEARNING

<p><b>CLL</b></p> 	<p>This half term we are focusing on using our phonics to write simple sentences. We will be creating our own minibeast riddles. First we will research about our favourite minibeasts, finding facts about them and then we will use this information to write short sentences to create our own riddles.</p> <p>In phonics we will continue to learn new sounds within phase 3 and apply these to our reading and writing.</p>
<p><b>Maths</b></p> 	<p>In Maths we will be exploring numbers to 20. We will be building numbers beyond 10, finding missing numbers and ordering numbers to 20. We will also look at addition and subtraction using lots of practical resources.</p> <p>In shape, space and measure we will be exploring the properties of 2D and 3D shapes and learning about different measures such as capacity.</p>

## ENRICHMENT AREAS OF LEARNING

<p><b>Forest School</b></p> 	<p>Children will continue to have a weekly 'Forest School' session. Please could your child bring welly boots in to keep in school for these sessions.</p> <p>This half term we will be focusing on minibeasts in our school environment. We will be going on a minibeast hunt, making our own class wormery and building our own minibeast house for our outdoor area.</p>
<p><b>UTW</b></p> 	<p>We have an exciting arrival of some caterpillars in EYFS. We will be observing the caterpillars closely over the coming weeks to see how they change. We will learn about the lifecycle of a butterfly during this time.</p>
<p><b>EAD</b></p> 	<p>We have a new garden centre role play area to explore. We will also be creating some minibeast Artwork.</p>
<p><b>P.E.</b></p> 	<p>In PE we will be focusing on skills needed to play in team games. We will be learning how to work well as part of a team.</p>
