1. Policy statement and objectives

- 1.1. The Trust fully recognises our legal responsibilities for safeguarding children and child protection, as set out in the policy legal framework above. Safeguarding is paramount and we will always act in the best interests of the child. We aim to create and maintain a culture of vigilance.
- 1.2. We are committed to safeguarding children and young people and we expect everyone who works in our academies to share this commitment. All adults take all welfare concerns seriously and encourage children and young people to talk to us about anything that worries them.
- 1.3. This policy should be read alongside:
 - statutory guidance [Working Together to Safeguard Children](#);
 - departmental advice [What to do if you are Worried a Child is Being Abused - Advice for Practitioners](#); and
 - departmental advice [Sexual Violence and Sexual Harassment Between Children in Schools and Colleges](#)
- 1.4. Safeguarding and promoting the welfare of children is defined in 'Keeping Children Safe in Education' (KCSIE) September 2021 as:
 - Protecting children from maltreatment;
 - Preventing impairment of children's mental and physical health or development;
 - Ensuring that children grow up in circumstances consistent with the provision of safe and effective care; and
 - Taking action to enable children to have the best outcomes.
- 1.5. The objectives of the policy are to:
 - Ensure that all Trust staff are fully acquainted with the legal framework for safeguarding and child protection
 - Provide a framework for academies to develop and implement their safeguarding and child protection procedures in accordance with this policy
 - Ensure that there are effective procedures in place to deal with safeguarding and child protection issues which arise
 - Assist staff to work safely and responsibly and to monitor their own standards and practices
 - To set out responsibilities of various stakeholders
 - Support the Trust's overall aim to create and maintain a safe learning environment where all children and adults feel safe and valued and know they will be listened to and taken seriously

2. Scope and Principles

- 2.1. This policy has been developed in accordance with the principles established by the Children Acts 1989 and 2004; the Education Act 2002 alongside the

legislation and statutory guidance listed in 'Related policies and documents' above.

- 2.2. The DfE has issued safeguarding principles for schools and other organisations who work with children. Statutory guidance is issued by law; academies must follow it. If academy staff believe there is any reason not to follow any aspect of this guidance they should immediately contact the Designated Officer for the local authority (formally known as Local Authority Designated Officer/LADO) and the Trust Head Office.
- 2.3. Principles underpinning the aims:
 - The welfare of the child is paramount; children must be listened to
 - It is the responsibility of all adults who work with children to safeguard and promote the welfare of children and to take action where children are at risk from harm
 - Safeguarding goes beyond implementing basic child protection procedures, it is an integral part of all activities and functions of the Trust
 - Staff are responsible for their own actions and behaviour and should avoid any conduct which might lead any reasonable person to question their motivation and intentions
 - The same professional standards should be applied regardless of culture, gender, language, disability, racial origin, religious belief and/or sexual identity
 - Academies and staff should continually monitor and review their practice in the light of this policy, taking particular care to ensure that all areas are addressed

3. Staffing and Strategic Responsibilities

- 3.1. The overall responsibility for the approval of this policy sits with the Board of Trustees. However, the day to day operational management and implementation of the policy and locally owned academy child protection and safeguarding policies are the responsibility of the Principal
- 3.2. Safeguarding vigilance and promoting the welfare of children is everyone's responsibility. Everyone who works with children and their families must ensure their approach is child-centred and they should consider, at all times, what is in the best interests of the child
- 3.3. It is recommended that each academy must have their own locally owned safeguarding and child protection policy to reflect local procedures and protocols
- 3.4. The 2021 Keeping Children Safe in Education guidance refers to the 'Designated Safeguarding Lead'. The guidance sets out the expectations and scope of the role.

3.5. The Principal must ensure that:

- There are mechanisms in place to assist staff to understand and discharge their role and responsibilities as set out in Part one of KCSIE
- They maintain Designated Safeguard Lead (DSL) training her/himself; the DSLs must have appropriate DSL training at least every 2 years by a recognised provider including: safer recruitment, preventing terrorism, specific issues such as FGM and CSE, online safety and SEND training

- The SCR is regularly monitored and checked for compliance
- The academy has a minimum of three named staff members trained as a DSLs for Child Protection, with one as a named 'Lead DSL', one as a named 'Deputy DSL', a lead should be identified for looked after and previously looked after children, a Prevent Lead and an Online Safety Lead should also be identified. The Lead DSL roles for safeguarding and Deputy DSL role should be explicit in the postholder's job description
- The academy always has at least one DSL on site (if this is not possible the DSL must be contactable such as by phone or hangout) and all staff and parents/carers should know who the DSLs in the academy are and should know that they are the referral route for any concerns both inside and outside of term time and school hours
- They and the DSLs are all familiar with the local procedures and referral routes governed by Local Authority Safeguarding Partnerships previously known as Local Safeguarding Children's Board (LSCB)

- The academy has their own behaviour policy, local safeguarding policy and safeguarding response to children missing education. The policy should identify the DSL and Deputy/ies as well as their role
- The DSL ensures all adults are aware of referral procedures for reporting and dealing with safeguarding and child protection issues in line with this policy and the local academy policy

- Children are taught to recognise when they are at risk and how to get help when they need it
- Where pupils are educated off site or in alternative provision the academy will obtain written confirmation that the alternative provider has carried out appropriate safeguarding checks on individuals working at the establishment. There must be clear procedures about managing safeguarding concerns between the two agencies.
- Staff are familiar with and effectively use the Trust MIS systems for monitoring and reviewing safeguarding
- Processes are in place to identify children who may benefit from early help and ensure effective information sharing with external agencies

4. Forms of Abuse

- 4.1. Types of Abuse and Neglect can be found in [‘Keeping Children Safe in Education \(2021\)’](#) (Part 1)
- 4.2. Abuse is a form of maltreatment of a child. Somebody may abuse or neglect a child by inflicting harm, or by failing to act to prevent harm. It is essential that all staff and DSLs recognise that all forms of abuse can affect even very young children even though this may not be immediately obvious e.g. children may live in a family which is the product of a forced marriage, girls of all ages may be subjected to Female Genital Mutilation (FGM), radicalisation of parents can affect children, and gangs may exploit young children.
- 4.3. There are four main areas of abuse:
 - Physical abuse may involve hitting, shaking, throwing, poisoning, burning or scalding, drowning, suffocating or otherwise causing physical harm to a child. Physical harm may also be caused when a parent or carer fabricates the symptoms of, or deliberately induces, illness in a child
 - Emotional abuse is the persistent emotional maltreatment of a child such as to cause severe and adverse effects on the child’s emotional development. It may involve conveying to a child that they are worthless or unloved, inadequate, or valued only insofar as they meet the needs of another person
 - Sexual abuse involves forcing or enticing a child to take part in sexual activities, not necessarily involving a high level of violence, whether or not the child is aware of what is happening
 - Neglect is the persistent failure to meet a child’s basic physical and/or psychological needs, likely to result in the serious impairment of the child’s health or development. Neglect may occur during pregnancy as a result of maternal substance abuse
- 4.4. The DfE and national organisations e.g. The [NSPCC](#) provide comprehensive, up to date guidance and practical support on specific safeguarding issues. Staff should be aware of specific forms of abuse and safeguarding issues that can put children at risk of harm and/or increase their vulnerability to abuse. These are detailed in Annex B of KCSIE and include:
 - Channel
 - Child abduction and community safety incidents
 - Children and the court system
 - Children Missing from Education (CME)
 - Children with family members in prison
 - Child Criminal Exploitation (CCE)
 - Child Sexual Exploitation (CSE)
 - Children who attend alternative provision
 - Children who have a social worker
 - Children with special educational needs and disabilities (SEND)
 - County Lines
 - Cybercrime
 - Domestic Abuse

- Female genital mutilation (FGM)
- Homelessness
- 'Honour-based' abuse (HBA) including FGM, forced marriage and breast ironing
- Looked After Children and Post Looked After Children
- Mental Health
- Peer-on-Peer abuse
- Preventing radicalisation
- Private Fostering
- Serious Violence
- Sexual violence and sexual harassment between children
- Sexting
- Upskirting
- Young Carers

5. Peer-on-Peer Abuse

- 5.1. We recognise that peer on peer abuse can manifest itself in many ways as outlined further in KCSIE p33 and in academy local policies. All forms of peer-on-peer abuse are unacceptable and will be taken seriously.
- 5.2. The Trust and academy will create a protective ethos in which peer on peer abuse, including sexual violence and sexual harassment will not be tolerated.
- 5.3. All staff will be provided with training about recognising and responding to peer-on-peer abuse, ensuring that staff do not dismiss instances of peer-on-peer abuse, including sexual violence and sexual harassment as an inevitable part of growing up.
- 5.4. Academies will provide high quality Relationships and Health Education (RHE) and the local curriculum will include information and materials that support children in keeping themselves safe from abuse, including abuse from their peers and online.
- 5.5. Staff should be aware that some groups are potentially more at risk. Evidence shows girls, children with special educational needs and disabilities (SEND) and LGBT children are at greater risk.

6. Dealing with Sexual Violence and Sexual Harassment between children

- 6.1. We recognise sexual violence and sexual harassment can occur between two children of any age and sex including those of primary school age within school, outside of school and/or online. They can occur online and face to face (physically and verbally) and are never acceptable.
- 6.2. Academies must be clear that sexual violence and sexual harassment will not be tolerated. Academies will provide training for staff on how to manage a report of sexual violence or sexual harassment, including measures to keep

the victim, alleged perpetrator and if necessary other children and staff members, safe.

- 6.3. Decisions will be made in close liaison with external agencies, including police and social care, when required. Refer to 'Keeping Children Safe in Education - Part Five', 2021, 'Sexual violence and sexual harassment between children in schools and colleges,' (DfE, September, 2021) for full details of procedures to be followed in such cases. Also see 'Sharing nudes and semi-nudes: advice for education settings working with children and young people' (UKCIS, December 2020)

7. British Values, Radicalisation and Extremism

- 7.1. As part of the Counter Terrorism and Security Act 2015, schools have a duty to 'prevent people being drawn into terrorism'. This has become known as the 'Prevent Duty'. Where staff are concerned that children and young people are developing extremist views or show signs of becoming radicalised, they should discuss this with the Designated Safeguarding Lead.
- 7.2. The Designated Safeguarding Lead will have received training about the Prevent Duty and tackling extremism and is able to support staff with any concerns they may have
- 7.3. We expect academies to use the curriculum to ensure that children and young people understand how people with extreme views share these with others, especially using the internet
- 7.4. We are committed to ensuring that our pupils are offered a broad and balanced curriculum that aims to prepare them for life in modern Britain. Teaching the academy's core values alongside the fundamental British Values supports quality teaching and learning, whilst making a positive contribution to the development of a fair, just and civil society
- 7.5. The DfE believes that an education that promotes fundamental British values will give young people the ability to challenge and resist the influence of extremist views. It provided guidance in November 2014 on [how academies should support the spiritual, moral, social and cultural \(SMSC\) development of pupils](#)
- 7.6. [Preventing extremism in the education and children's services sectors](#) was published 1st September 2015. This includes [advice on the Prevent Duty](#) which explains what academies can do to protect children and young people from the risk of radicalisation. The DfE has also published a [guide to help schools understand the techniques terrorist groups use on social media](#).
- 7.7. The Trust has a statutory duty to safeguard pupils from radicalisation, extremism and terrorism by:
 - Demonstrating that robust safeguarding policies are in place to identify children at risk, and intervening when appropriate, by referring to Channel for example

- Ensuring clear protocol and checks are in place to ensure any visiting speakers are suitable and supervised in the academy (TEFAT Prevent Risk Assessment Template available for academy use)
- Ensuring that fundamental British Values are promoted within the academy curriculum and ethos of the academy
- Ensuring that staff have the knowledge and confidence to identify and intervene when they deem children to be at risk from radicalisation and/or extremism and/or terrorism

8. Allegations of Abuse

- 8.1. When a member of staff suspects that any child may have been subject to abuse, or a child has suggested that abuse has taken place either to themselves or another child, the allegation must be reported immediately to the DSL. Written notes must be taken of any disclosure or suspicion of abuse and this must be recorded onto the MIS system with action taken. The DSL will deal with the allegation in accordance with the academy's procedures.
- 8.2. We recognise the importance of listening to children at all times, particularly when they are distressed, worried or concerned. It is appreciated that at times children may feel stressed and confused. The academy will identify quiet areas and provide the opportunity to children to take respite from the normal day when necessary.
- 8.3. All staff should be aware that children who are not yet known to be at risk may in fact be experiencing ill treatment, neglect or abuse. This means that staff should be alert to indicators of abuse and be aware of the need for sensitivity when dealing with children at all times.
- 8.4. If a child or adult confides in a member of staff and requests that the information is kept secret, it is essential that the member of staff tells the child or adult sensitively that he/she has a responsibility to refer the matter to the DSL or other authorities for the child's or adult's own sake. At the same time, the child or adult should be reassured that the matter will only be disclosed to the DSL who will then decide on appropriate action.
- 8.5. Children who are distressed through experiences outside the classroom may find it more difficult to achieve their academic potential. This can create a double disadvantage which the academy should attempt to address by maintaining high expectations and through additional support.
- 8.6. Similarly children who are distressed may 'act out'; such children need firm boundaries. Staff must take into account the child's distress when managing behaviour.
- 8.7. All incidents must be recorded appropriately and regularly monitored by the Principal and DSL in the first instance to ensure the safety and wellbeing of all involved

9. Allegations Against Staff

- 9.1. The academies operate safer recruitment practices including ensuring appropriate DBS and reference checks are undertaken according to Part Three of 'Keeping Children Safe in Education', 2021. This section should be read in conjunction with the Trust's Safer Recruitment Procedure and associated guidance
- 9.2. All staff must always respond to allegations of abuse of a child made against members of the staff (including supply staff and volunteers) that meets the harms threshold as set out in Keeping Children Safe in Education, 2021, Part Four, Section One. All staff must immediately and confidentially report concerns/allegations against teachers and other staff to the Principal. The Principal must then report the concerns/allegation immediately to the Designated Officer (DO) for the Local Authority (previously known as LADO) for advice and decision making regarding thresholds. The Principal must inform the Trust HR Director or the Trust DSLs immediately. The Principal will then receive guidance from the Trust's central HR Team following the advice from the DO
- 9.3. All staff must report concerns/allegations against the Principal to the Trust named DSL, Deputy DSL or Trust HR Director. The academy will follow the procedures set out in Part Four of 'Keeping Children Safe in Education', 2021. The Trust must then report the concerns/allegations immediately to the DO for advice. The Trust HR Director and DSLs will follow the advice from the DO
- 9.4. Allegations made against staff include where a member of staff or adult has 'behaved or may have behaved in a way that indicates they may not be suitable to work with children'. This is to take account of situations where a person's behaviour outside school may suggest 'transferable risk'. For example, where a member of staff or volunteer is involved in an incident outside of school which did not involve children but could have an impact on their suitability to work with children
- 9.5. Whilst academies are not the employer of supply teachers, they should ensure allegations are dealt with properly. KCSIE states: 'In no circumstances should a school or college decide to cease to use a supply teacher due to safeguarding concerns, without finding out the facts and liaising with the local authority designated officer (previously known as LADO) to determine a suitable outcome'
- 9.6. The Principal must ensure that all allegations are reported to the LADO and Trust within one working day. The LADO will advise on all further action to be taken.
- 9.7. Where staff identify a child has been harmed, they should contact children's social care and as appropriate the police immediately.
- 9.8. If the reporting staff member does not feel the allegation has been appropriately acted upon, this must be challenged and concerns must be

reported directly to the Trust HR Director (Ruth Dickens) and/or the Trust DSL (Caroline Oliver) and the DO directly in confidence.

- 9.9. Further guidance can be found in the Trust policy entitled [‘Dealing with Allegations Against a Member of Staff’](#).
- 9.10. Low level concerns (Part Four, Section Two) that do not seem to meet the harms threshold should be reported to the Principal, who should seek advice from the Trust HR team. NB: The term low level does not mean that it is insignificant, it means that the behaviour towards a child does not meet the harms test.
- 9.11. The Trust will deal with any such concern, no matter how small, where an adult working in or on behalf of the school or college may have acted in a way that:
 - is inconsistent with the Trust Values and staff conduct expectations , including inappropriate conduct outside of work; and
 - does not meet the allegations threshold or is otherwise not considered serious enough to consider a referral to the LADO.
- 9.12. All low-level concerns should be recorded in writing. The record should include details of the concern, the context in which the concern arose, and action taken. The name of the individual sharing their concerns should also be noted, if the individual wishes to remain anonymous then that should be respected as far as reasonably possible.
- 9.13. Trust HR will advise on where these records are kept, they must be kept confidential, held securely and comply with the Data Protection Act 2018 and the UK General Data Protection Regulation (UK GDPR).
- 9.14. The school will promote an open and transparent culture in which all concerns about all adults working in or on behalf of the school or college (including supply teachers, volunteers and contractors) are dealt with promptly and appropriately. This will enable the school/college to identify concerning, problematic or inappropriate behaviour early; minimise the risk of abuse; and ensure that adults working in or on behalf of the school/college are clear about professional boundaries and act within these boundaries, and in accordance with the ethos and values of the institution.
- 9.15. Schools should ensure that **all** workers, paid and unpaid, are aware of the need for maintaining appropriate and professional boundaries in their relationships with pupils and parents/carers. As part of the Induction process, all workers, paid and unpaid, will receive guidance about how to create appropriate professional boundaries (in both the real and virtual world) with all children, especially those with a disability or who are vulnerable.
- 9.16. The academy will ensure that staff, supply staff and volunteers are aware that sexual relationships with pupils aged under 18 are unlawful and could result in legal proceedings taken against them under the Sexual Offences Act 2003 (Abuse of Position of Trust).

10. Support

10.1. Children and families

The academy may be the only stable, secure and predictable element in the lives of vulnerable children and those directly at risk. Trust academies will therefore endeavour to support children through:

- The academy ethos, which promotes a positive, supportive and secure environment and which gives all children and adults a sense of being respected and valued
- Providing curricular opportunities to encourage self-esteem and self-motivation
- Pastoral care which is focused on the child's wellbeing, and which closely observes behaviour and changes in mood
- A consistent approach, which recognises and separates the cause of unusual / difficult behaviour from that which the child normally displays
- Commitment to develop productive, supportive relationships with parents
- The development and support of a responsive and knowledgeable staff group trained to identify and respond appropriately to child protection issues
- Regular liaison with other professionals and agencies who support children and their families
- A curriculum and pedagogy which encourage self esteem, self motivation, promote wellbeing and support positive mental health
- The consistent implementation of academy behaviour management policies
- Liaison with the senior mental health lead where safeguarding concerns are linked to mental health in school for advice on case management
- Liaison with other agencies which support the pupil such as Social Care, Child and Adolescent Mental Health Services,
- Promoting supportive engagement with parents and/or carers in safeguarding and promoting the welfare of children, including where families may be facing challenging circumstances
- Considering the wider environmental factors present in a child's life which could pose a threat to their welfare or safety, (contextual safeguarding). Staff are required to be particularly alert to the potential need for early help for children in particular circumstances such as children with disabilities, additional needs of special educational needs. Please see pages 8 – 9 of Keeping Children Safe in Education, 2021 for the complete list.
- Ensuring that as part of the PSHE curriculum, staff will teach children personal safety skills commensurate with their age, ability and needs. Children will be taught personal safety skills such as: how to recognise if they are feeling unsafe including within family relationships and friendships; how to ask for help; the difference between safe and unsafe secrets; the difference between safe and unsafe physical contact; and how to recognise and manage risk including in a digital context. The content of lessons will be shared with parents/carers so that these skills can be supported at home.

- Provide additional training to staff and support for pupils who may have communication difficulties whilst recognising they are vulnerable to abuse because they are unable to express themselves to others.
- 10.2. Staff receiving a disclosure or observing signs of abuse can be very distressing. The academy will determine arrangements to enable staff to discuss their feelings with the DSL or other appointed senior member of staff, if they wish to do so. Principals must ensure that a support structure is in place for the DSLs who deal with traumatic incidents on a regular basis. Any member of staff who is concerned about her / his involvement in safeguarding children issues should discuss the matter with the Principal or the DSL. The Trust Special Interest Group (SIG) for Safeguarding and Child Protection provides a supportive forum for DSLs to discuss practice and to share resources.

11. Staff Conduct

- 11.1. Staff are expected to adopt a high standard of personal conduct in order to maintain the confidence and respect of colleagues, children and parents.
- 11.2. Staff should be aware that safe practice also involves using judgement and integrity about behaviour in places other than work, including online.
- 11.3. Children face safeguarding risks in exploring the digital world. Staff should adopt responsible online behaviour and must not make contact with children or their families through anything other than official academy accounts.
- 11.4. No child should be in or invited into the home of a member of staff unless the reason has been firmly established and agreed with parents and the Principal.
- 11.5. Any giving of gifts and reward should only be part of an agreed policy for supporting positive behaviour, and should be part of an agreed plan sanctioned by the Principal or a senior member of staff with delegated responsibility.
- 11.6. There are circumstances where staff working with children displaying extreme behaviour can legitimately intervene by using restrictive and nonrestrictive physical interventions. In such circumstances only staff who have received relevant training may do so and staff must adhere to Elliot Foundation and academy policy and procedures. This should always depend on the individual circumstances and be informed by the professional judgement of the staff concerned. All incidents of restraint must be recorded and monitored appropriately in line with academy guidance.
- 11.7. Where children are in some distress and need reassurance some physical contact may be helpful. For some children any physical contact may be construed as a threat, no matter how well intended. Staff must use careful professional judgement in comforting children in an age appropriate way while maintaining clear professional boundaries.

- 11.8. At all times staff must adhere to the academy policy and to seek guidance if in doubt. Staff must never touch a child in a way which might be considered indecent or inappropriate and must not assume that all children seek physical comfort if distressed.

12. Record Keeping, Confidentiality and Information Sharing

- 12.1. The academy will keep clear, detailed, accurate, written records of concerns about children (noting the date, event and action taken), even where there is no need to refer the matter to Social Care immediately. Language used should be professional, factual and non-inflammatory.
- 12.2. All concerns, discussions and decisions made, and the reasons for those decisions, should be recorded in writing. Concerns and referrals will be stored on the MIS in a separate safeguarding file for each child.
- 12.3. Records will include:
- a clear and comprehensive summary of the concern;
 - details of how the concern was followed up and resolved;
 - a note of any action taken, decisions reached and the outcome.
- 12.4. A historic hardcopy of previous safeguarding files should be kept confidential and stored securely, away from pupils' standard school files. Electronic records are stored on an identified, purpose-built, secure platform (My Concern)
- 12.5. The academy will ensure all relevant safeguarding records are sent to the receiving school or establishment when a pupil moves schools, within five days, in accordance with 'Keeping Children Safe in Education, 2021, (page 148)
- 12.6. The DSL will consider whether it would be appropriate to share information with the new school/college in advance of a child leaving
- 12.7. The DSL will make parents aware that such records exist, except where to do so would place the child at risk of harm.
- 12.8. All actions, decisions and information shared will always be in the best interests of the child. In Serious Case Reviews, a lack of effective information sharing within services and between services is a common factor. [KCSIE](#) states: 'The Data Protection Act 2018 and GDPR do not prevent the sharing of information for the purposes of keeping children safe' which includes allowing practitioners to share information without consent...'
- 12.9. All staff and volunteers must understand that they have a professional responsibility to share information with other agencies to safeguard children. Staff must ensure confidentiality protocols are followed and information is shared appropriately. The Principal and Lead DSL will disclose information about a pupil to other members of staff on a need to know basis only whilst ensuring key information is shared with staff to support the monitoring and safeguarding of vulnerable children.

- 12.10. Staff who receive information about children and families in the course of their work must pass this on to the DSL/s. Where a member of staff is in doubt about whether to share information he/she should seek guidance from the DSL/s.
- 12.11. Staff bear the professional responsibility to share relevant information about the protection of children with other professionals, particularly investigating agencies, under the guidance of the DSL/ and as set out in 'Information sharing; Advice for practitioners providing safeguarding services to children, young people, parents and carers,' DfE, July 2018.
- 12.12. Safeguarding/child protection records must be kept securely held on My Concern with hard copies of letters etc in locked storage. The storage and processing of such information is governed by the Data Protection legislation. The Principal should give clear advice to staff on their responsibilities under this legislation. If in doubt the Trust Data Protection Officer (Jem.Shuttleworth@elliottfoundation.co.uk) should be contacted for further advice and guidance.
- 12.13. Personal information about all children and their families is confidential and is governed by the UK General Data Protection Regulations (UK GDPR) and the Data Protection Act 2018. All staff must maintain this confidentiality. All records relating to child protection/safeguarding incidents will be maintained by the DSL/s and only shared as is consistent with the law relating to the protection of children
- 12.14. If a member of staff receives a Subject Access Request (under the Data Protection Act 2018) from a pupil or parent they will refer the request to the DSL or Principal.
- 12.15. The DSL will ensure that staff are clear with children that they cannot promise to keep secrets.
- 12.16. In cases where the 'serious harm test' is met, academies must withhold providing the data in compliance with schools' obligations under the Data Protection Act 2018 and the UK GDPR. Where in doubt academies should seek advice from the Trust Data Protection Officer.
- 12.17. In the event of a child who is being dealt with under the LA and academy's safeguarding procedures transferring to another school, the academy will:
- Inform the destination school, Virtual School Headteacher and Local Authority, as appropriate
 - Find out the name of the receiving school
 - Contact the relevant member of staff at that school to discuss the transfer
 - Deliver all information relating to the child in person to the receiving school and get a dated and signed receipt, or send by signed for recorded delivery. The academy must keep a record of receipts and signatures relating to the transfer of confidential files

- Check with the receiving school that the child has arrived there on the expected day
- Inform all relevant agencies, including the Designated Officer for the Local Authority, of the transfer
- Work with agencies to ensure vulnerable pupils such as those with SEND or previously looked after, remain safe

13. Children Missing Education

- 13.1. Knowing where children are during school hours is an extremely important aspect of Safeguarding. Missing school can be an indicator of abuse and neglect and may also raise concerns about others safeguarding issues, including the criminal exploitation of children
- 13.2. All academies work with us to monitor attendance carefully and address poor or irregular attendance without delay
- 13.3. When a child who is known to be at risk is missing unexpectedly, the academy should make a home 'safe and well' check as soon as possible and which must be on the same day. This check may be conducted by the academy, or by the police or a social worker.
- 13.4. Where the check is conducted by the academy, risk assessments will be in place to ensure staff are not exposed to harm through lone working.
- 13.5. Attendance is monitored daily and pupils who are missing from school without permission for 10 days are reported to the Local Authority.
- 13.6. DSLs should monitor patterns and reasons for non attendance. DSLs are encouraged to be tenacious in securing evidence of absence and to question children, parents and other professionals e.g General Practitioners showing awareness of disguised compliance in safeguarding.
- 13.7. If a child is missing and the 'safe and well' check does not provide assurance the Principal or DSL must contact the Police for a safe and well check. The academy must then follow appropriate procedures for responding to these situations as set out by the Local Authority Safeguarding Partnerships.

14. Working with Parents/Carers

- 14.1. Parents play a crucial role in protecting their children from abuse. The academy is required to consider the safety of the child and should a concern arise the Designated Senior Lead has the responsibility to seek advice prior to contacting parents.
- 14.2. The academy will work with parents to support the needs of their child, and aims to help parents understand that it has a responsibility for the welfare of all children and has a duty to refer cases to the appropriate Local Authority department in the interests of the child.

- 14.3. DSLs will undertake appropriate discussion with parents/carers prior to involvement of another agency unless the circumstances preclude this action.
- 14.4. DSLs will discuss with Children's Social Care if the academy believes that notifying parents could place the child or another person at immediate risk of harm or prejudice the prevention or detection of crime.
- 14.5. The academy will record what discussions have taken place with parents or if a decision has been made not to discuss it with parents, the rationale must be recorded. Records may subsequently be disclosable to relevant partner agencies if Child Protection proceedings commence.

15. Equal Opportunities

- 15.1. The Equality and Diversity Policy sets out the Trust's commitment to tackling disadvantage and discrimination and is implemented locally in school. Leaders must guard against any assumptions about cultural variation where this may be in conflict with safeguarding children e.g. FGM and ensure that practices reflect this commitment.

16. Online Safety

- 16.1. The risks posed by online activity are a major safeguarding risk to children and must be taken seriously. The main areas of risk can be summarised as follows:
- **Content:**
Exposure to inappropriate content, including online pornography, ignoring age ratings in games (exposure to violence associated with often racist language), substance abuse, lifestyle websites, e.g. pro anorexia/self harm/suicide sites, hate sites, content validation: how to check authenticity and accuracy of online content
 - **Contact:**
Grooming, cyberbullying in all forms, identity theft (including 'frape' (hacking Facebook profiles)) and sharing passwords;
 - **Conduct:**
Privacy issues, including disclosure of personal information, digital footprint and online reputation, health and wellbeing (amount of time spent online, whether internet or gaming), sexting (sending and receiving of personally intimate images) also referred to as SGII (self generated indecent images), copyright (little care or consideration for intellectual property and ownership – such as music and film).
- 16.2. When children use the school's network to access the internet, they are protected from inappropriate content by our filtering and monitoring systems. However, many pupils are able to access the internet using their own devices and other networks. To minimise inappropriate use, as a Trust we use monitoring software which raises alerts directly to the DSLs in school
- 16.3. Academies ensure our curriculum teaches children how to stay safe online

- 16.4. All staff should seek guidance from [‘Teaching Online Safety in School’](#) DfE June 2019 to be read in conjunction with [Education for a Connected World Framework \(UKCIS, 2018\)](#) which offers 'age specific advice about the online knowledge and skills that pupils should have the opportunity to develop at different stages of their lives.
- 16.5. The Online Safety leader must take responsibility for promoting online safety inside and outside the academy. This may be the DSL or an additional member of staff.

17. Monitoring and Review

- 17.1. All staff are expected to monitor their own conduct and relationship with children to ensure that the standards expected of them are maintained.
- 17.2. The Designated Senior Lead will work with the Deputy DSL to monitor the working of the policy and will report as required to the Principal and to the Trust through the annual Trust Safeguarding Audit, Safeguarding SIG meetings, Regional Director visits and Peer to Peer safeguarding audits.
- 17.3. The Principal will report to the Trust annually on the working of the policy through the annual Trust Safeguarding Audit.

18. Additional Safeguarding and Child Protection Guidance for Trust Head Office Staff and Trustees

- 16.1 The Trust Head Office staff and Trustees fully recognise their legal responsibilities for safeguarding children and child protection as set out in the Trust’s Safeguarding and Child Protection Policy September 2021 and relevant legal framework.
- 16.2 This guidance is to identify personnel to contact should an incident or concern arise relating to the safeguarding of pupils during academy visits and regarding concerns relating to staff or adults in academies or colleagues based at the head office.
- 16.3 It is expected that all concerns are referred immediately and confidentially via email, within a maximum of 24 hours. The person/s making the referral should seek confirmation that the concern has been acted upon.
