

Highlees News

July 2021

Dear Parents

We all hope you are staying safe and well during this strange time. In school we are busy ensuring the school environment is ready for when we welcome back all the children in September.

Please take care of your family, continue to contact school through the office if you need any support. We look forward to seeing you all very soon.

Best wishes

Mrs Stroud and all the team at Highlees

SOCIAL DISTANCING

Please could we ask all parents and children to follow the social distancing rules when on the school premises.

REPORTS

Reports will be ready to collect on **Monday 6th July. - KS1**

Wednesday 8th July - KS2

We will be asking each year group to arrive at a given time. You will also find out your child's next teacher.

Staff will be outside of the office throughout the day to make sure you received the correct report. Siblings can collect at the same time.

Monday

9am - EYFS

10.00 - Year 1

11.00 - Year 2

Wednesday

9am - Year 3

10.00 - Year 4

11.00 - Year 5

12.00 - Year 6

Bubbles Update

Following the Government and our Trust's guidelines we have managed to open 10 bubbles to invited year groups.

Unfortunately, we will not have capacity or space to open any more bubbles this term. We are busy planning for the reopening of Highlees to all children in September and will continue to follow the Government's health and safety guidelines.

Well Done!

A huge WELL DONE to all children that are now in school and adapting so well to the changes. We are very proud of you all!

Keeping In Contact

It is extremely important that we remain in contact with our families and children. We have an obligation to ensure children are safe. We are continuing to maintain this contact in a number of ways but do need your help in doing this. Some of the ways include:

- Children attend school through the invited year group provision only.
- Online Tapestry - EYFS
- Google Classrooms - Year 1 to Year 6
- Seeing children when they collect their learning packs
- Fortnightly phone calls to children to say hello

hello

If we have not had any contact with a child or family through one of these methods, then we may text you to ask you to make contact with school. We may also need to complete a home visit to check you are well and safe.

Google classroom / Learning pack

The teachers are still posting work on the google classroom. The number of children completing work is reducing, We would ask that you encourage your children to do some of the work each day. This will help them maintain a routine and also support their learning. Learning Packs will be available for collection week beginning 6th July.
