

Wednesday 15th June

Dear Parents/Carers

**Staying cool in the hot weather**

As the weather is forecast to be hot, please remember to send your child to school with a sun hat and water bottle. Unfortunately, we are not able to put sunscreen on your child so please apply before your child comes to school.

Here are some of the measures we have put in place to help the children stay cool during the the school day;

- We will ensure the children have regular comfort breaks throughout the day
- Children will have access to cold water for them to refill their bottles as and when required.
- Additional shade sails have been put up for children to sit in the shade at lunchtimes.
- PE will be inside if necessary and if the children are outside they will be given regular breaks to sit in the shade so they don't get too hot.

Pupils are allowed to wear plain coloured shorts (no bright colours please) and a white t-shirt, short sleeved shirt or polo shirt if they wish.
