

Thursday 16th June 2022

Dear Parents and Carers,

We would like to invite you and your children to our Year Six charity fayre. Our aim is to raise money for the British Heart Foundation (BHF for short) by holding a fundraiser event, in which attendees play games created by Year Six pupils.

BHF is a charity dedicated to supporting families dealing with heart diseases and defects, and finding treatments and cures for them. Every year, they donate £100,000,000 towards research, and progress is being made regularly, saving people often daily with their help. As mentioned, they also assist families, giving trustworthy and helpful guidance to those in need.

On the **1st of July**, the function will be held on the Key Stage One playground and the Large Hall (it may depend, as it concerns the weather, and it is unsure as to whether it will be satisfactory). Games played will include entertainment such as Hook-A-Duck and Tic Tac Toe. Each game will most likely cost 10-20p, but it is (as said above) all donated towards a good cause. Extra donations are greatly appreciated, but not compulsory, as anything helps.

We hope to see as many smiling faces as possible, and that BHF sees many more.

Sincerely,

Eleanor Cole (Year 6)
Highlees Primary School
