Acrostic Poem by Year 1

Happy Mothers Day.

Thank you for taking care of me.
Thank you for loving me.

Thank you for giving me food,
And putting me in a good mood.

Thank you for cleaning my room.
Thank you for using a very good broom.

Thank you for protecting me each and
every day,
That's what makes me happy to play.

Thank you with all my heart,
You have made me very smart.

Love...

What do Mums do?

Mum, you guide me through everything
You teach me and make sure I'm safe
Mum, you are so caring
I never feel unsafe

You sing with me
You help me
You buy and cook my food

You clean my room
You take me to school
You take me to the park and shops

You take me to football
even when it's cold
You shiver and cheer me on

You dance with me to our favourite songs
You keep me healthy and strong
You make me feel like I belong

You give me money to spend on sweets
You keep me snuggly warm
You read to me and I to you

You always say goodnight, before I go to bed
You make me so happy
Just like my favourite ted

I LOVE YOU to the moon and stars
You give me lots of hugs and kisses
You keep me as warm as Mars

YOU are my one and only and are with me EVERYWHERE

My Mom by Year 3 JB

Mummies are kind and caring

Overcoming every obstacle in life

Treating me with lots of love

Hears me crying when upset

Encourages me to be brave

Reminds me every day how much she loves me

Shows me how important I am to her

Dedicates her life to me

Available at the drop of a hat

You are my one and only mom.

Mummies are kind and caring
 Overcoming every obstacle in life
 Feeding me with lots of love
 Hears me crying when upset
 Encourages me to be brave
 Reminds me every day how much she loves me
 Shows me how important I am to her
 Dedicates her life to me
 Available at the drop of a hat
 You are my one and only mom.

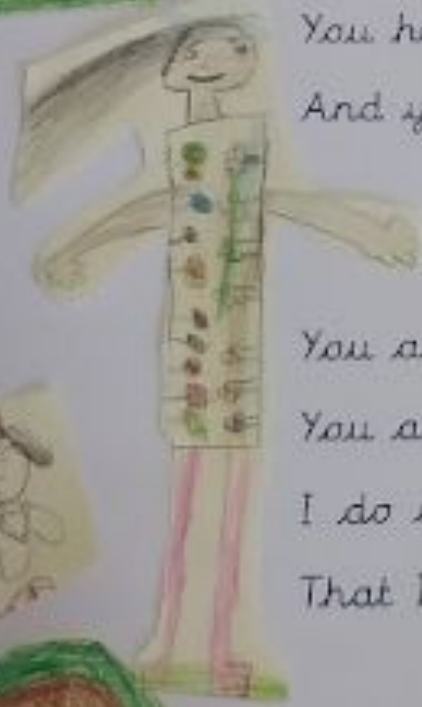

Dear Mum by Year 3

Dear mum, I want to tell you,
That you really are the best.
You work so hard to love me,
Even when I put you to the test!

You feed me and you clothe me,
You make sure I'm alright.
You help me when I need you
And you tuck me up at night.

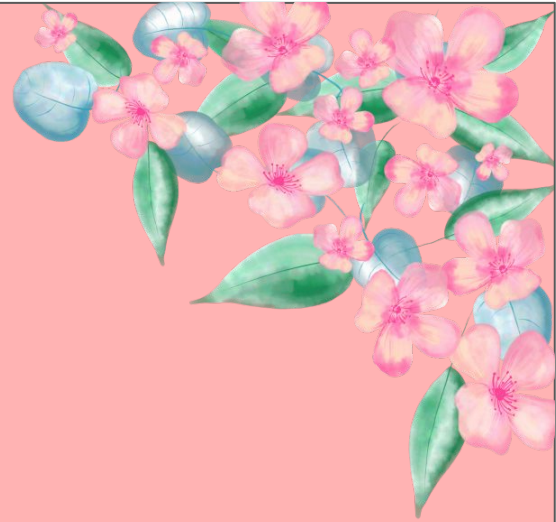

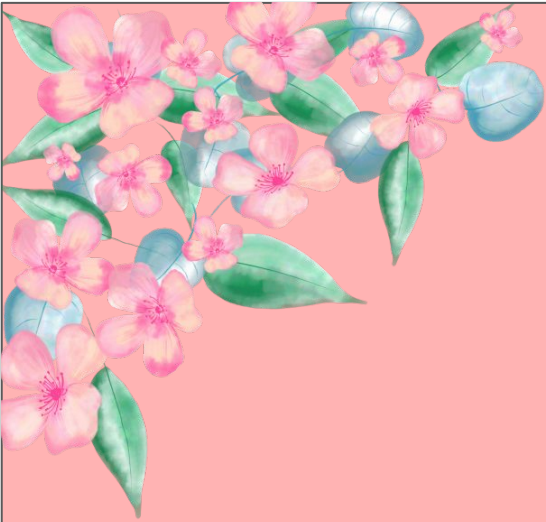

You are the best, so thank you,
You are so wise and smart.
I do not always show you,
That I love you with all my heart.

I am grateful that I have you
You always make me happy!
This day is just a thank you
To my mum, from me.

I am grateful that I have you
You always make me happy!
This day is just a thank you
To my mum, from me.

Happy Mothers Day to all the special people in our families .

5EH

Mother's day full of praise, a good day to
celebrate

Only you can make my day

Today's the day you shine for all your
hardwork and grind

Here we are again, our love will never end
Everytime I'm feeling down, you turn my
frown upside down

Remember you're amazing just the way you
are

So today I want to say I love you from the
bottom of my heart

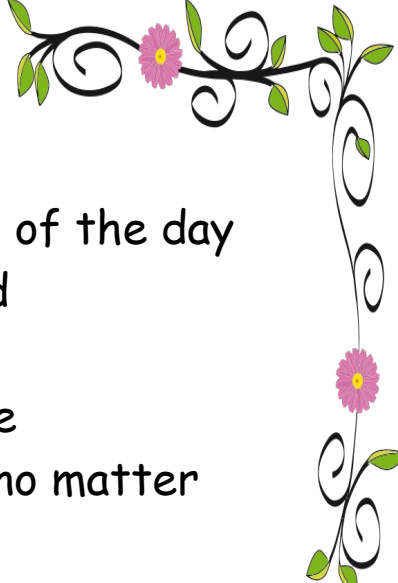

Dear, loving mother how can I repay what you
do for me

A year you have been made to wait to
celebrate this special day

You are my only one, you've been there since
day one

Motherly love is what you give me every second of the day
Only you can make me happy and loud
The family you can make proud
Helping me, be the best that I can be
Everyday, loving you gets better and better, no matter
what
Right there when I was born, right there since day one
So, let's take this time to spend it together

Days with you, are days to remember
Always, eternally indebted to you
You are the sunshine, peeping through the dark
