

Class Curriculum Information

Year EYFS Spring Term 1

Not All Heroes Wear Capes

CLASS NOTICES

Reading

Children take part in reading sessions and activities in school. We ask that you read at home with your child everyday. Please bring your child's reading book in on a **Wednesday** so they can select a new book to take home.

PE

PE will take place on a **Tuesday**. Children can come to school in their kit on PE days. We currently do PE inside in the hall but as the weather begins to improve we may start to do PE outside, so please bear this in mind when choosing your PE kit for the day.

Homework

If your child would like to share anything from home that they have done then please post this to Tapestry and we will share this in class. Later this half term, a weekly 'cut up sentence' will be sent home with your child as part of their home reading. These can be posted on Tapestry or brought back in to school.

Note

Please continue to check Tapestry daily for any posts about your child's learning. There are regular weekly updates about what your child is learning in school.

Please ensure your child brings in a water bottle everyday and a hat, gloves and scarf in the cold weather.

ENRICHMENT AREAS OF LEARNING

<p>CLL</p> 	<p>This half term we are continuing to focus on using our phonics to write words. We will also be looking at how to structure a simple sentence and write them independently. We will be writing some facts about people who help us and information that we have found out about them.</p> <p>In phonics, we will continue to learn new sounds within phase 3 and apply these to our reading and writing.</p>
<p>Maths</p> 	<p>In Maths this half term, we will be exploring numbers to 5. We will be comparing numbers to 5 and looking at the composition of 4 and 5. We will do this through lots of practical activities in both the indoor and outdoor classroom.</p> <p>We will also compare mass and begin to explore capacity.</p> <p>Towards the end of half term, we will learn about length and height using non-standard measures.</p>

ENRICHMENT AREAS OF LEARNING

<p>Forest School</p> 	<p>Children will continue to have a fortnightly 'Forest School' session. This half term we will be focusing on seasonal changes - looking at Winter and how this compares to other seasons.</p>
<p>UTW</p> 	<p>We will be exploring different occupations within our community. We will also be looking at maps and where we can find some of our local services e.g. doctors, dentist, library etc. We will then create our own maps.</p>
<p>EAD</p> 	<p>We have a new hospital role play area in the classroom where children are acting out the role of paramedics, doctors, nurses and patients.</p>
<p>P.E.</p> 	<p>Children will develop their basic gymnastic skills. Children will explore basic movements, creating shapes, balances, jumps and begin to develop rocking and rolling. They will show an awareness of space and how to use it safely and perform basic skills on both floor and apparatus.</p>
