

Class Curriculum Information

**Year 6
Summer Term 1**

ID

CLASS NOTICES

Class Text

Our class text is *Stormbreaker* by Anthony Horowitz.

Reading

All children will read for at least 10 minutes every day in school and we hope parents will do the same at home. Books will be changed when children have completed an Accelerated Reading Quiz.

PE

PE will take place on a **Wednesday & Friday**. Children can come to school in their kit on PE days (shorts/leggings/jogging bottoms, plain t-shirt, trainers and jumper for outdoors).

Homework

Spellings and maths will be sent out every **Friday** and returned back into school by the **Wednesday**. If you have any questions about the homework, please come and talk to us.

Please ensure your child brings in a water bottle and school jumper/cardigan everyday. As the weather gets warmer, they may want a sun hat.

ENRICHMENT AREAS OF LEARNING

<p>English</p> 	<p>In English this term, we are focusing on SATs preparation, securing our knowledge and understanding of grammar, punctuation and spelling. After the SATs we will be exploring a range of different writing genres and will produce some texts that are connected to and inspired by <i>Stormbreaker</i>. We will also be developing our editing and proofreading skills.</p>
<p>Maths</p> 	<p>In maths, we are continuing to learn and revise skills relating to a range of arithmetic and reasoning areas, in preparation for the SATs tests. After SATs, we will continue the year 6 maths curriculum, building our confidence with the application of mathematical skills to a variety of problem solving. We will also be continuing to revise key skills to ensure that children are ready for year 7!</p>
<p>Science</p> 	<p>In science, we will be learning about classification, family and inheritance of characteristics. We will be using our scientific working skills of examining evidence to extend our knowledge.</p>

ENRICHMENT AREAS OF LEARNING

<p>Computing</p> 	<p>In computing, we are focusing on using technology confidently and safely, ensuring that children are aware of how to be responsible and respectful online.</p>
<p>Music</p> 	<p>This half term we will be learning about rhythm and pitch as we compose short pieces based on the theme of 'celebrating achievements'.</p>
<p>R.E.</p> 	<p>In RE, we will begin to look at different ways people can express their commitment to religion through art, architecture and by giving to charity.</p>
<p>DT/Art</p> 	<p>In art, we will be looking at developing portrait drawing and painting skills, linked to our topic of ID. In DT we will be looking at aspects of design linked to fashion and clothing.</p>
<p>P.E.</p> 	<p>Our PE will focus on athletics. Children will learn how to develop their speed and accuracy and consider how to improve their performance in order to beat a personal best.</p>
