Newsletter - October Half Term 2023

HELLO FROM MISS DINES

Well October is just flying by! This half term we have been focussing on kindness as part of our school values. I have to say, I often feel extremely proud of both staff and children at Eyrescroft as they show kindness and respect to one another on a daily basis. The following children have been chosen by adults around school for being particularly kind to one another and have received a badge to show this. Well done!

PARENTS EVENING

It was so lovely to see so many of you at parents evening this week. Home and school relationships are so important and we love to share what your children are doing at school. Thank you to all those who attended.

COMMUNITY COUNCIL

Eyrescroft Primary School needs you! We have a Community Council who meet once a term. This is an opportunity for us to share successes, challenges and improvements. It is also a chance for you to get to know school better and share your views and opinions. The more parents on this council the better! Please contact the school office if you could support us with this.

E-SAFETY

Just a reminder to be aware of online safety, particularly over half term. There are lots of tips and things to look out for on our website. At Eyrescroft we use Smoothwall to monitor children's online use when signed into their school Google account. More information can be found on the website

KINDNESS
is a gift
everyone can
afford to give.

CHANGING WEATHER

Weather at this time of year can be a bit unpredictable. One minute it is raining, and then the next, brilliant sunshine!

Please ensure your child comes to school with a winter coat everyday to use at break and lunch times and at the end of the school day.

Remember clocks go back on Sunday, 29th October.
