

CLASS NOTICES

Reading

Children need to read for at least ten minutes every day in order to help them improve their fluency of reading. The children will be responsible for changing their reading books when they complete the book they have read. Please can parents sign the reading record to say you have heard your child read at least once a week

PE

PE will take place on **Thursdays** for Year 4. 4AC will start the term with swimming and 4RW will play Cricket.

Children need to come to school in their PE kit:

Black shorts or jogging trousers, plain, white t-shirt, plain black/dark jumper or hoodie and black trainers or plimsolls.

Weather permitting, we will continue to do PE outside, so please bear this in mind when choosing your PE kit for the day. Children must not wear any earrings on PE day.

They will also need their coat for playtime and lunchtimes when they are outside.

PSHE

In PSHE we will be looking at Relationships, including how we deal with jealousy, loss and what to do when we fall out with friends.

Homework

Homework will go home on **Friday** and is due back the following **Wednesday**.

Our maths homework will focus on our times tables. We will also send home Comprehension and Spelling words. Each half term, children will be asked to complete a homework project.

If you have any questions about the homework, please talk to us and we will be happy to help.

Thank you for your continued support.

CLASS NOTICES

<p>English</p> 	<p>In English, we will be reading <i>Riddle of the Runes</i> by Janina Ramirez and using the text to develop our prosody and comprehension skills. Our writing learning will culminate to a narrative focusing on character description and a diary entry to both inform and entertain our readers.</p>
<p>Maths</p> 	<p>In Maths, we will be learning all about decimals, recognising tenths and hundredths as decimals and fractions, partitioning and ordering decimals and recognising halves and quarters as decimals. We will also be focussing on our Times Tables knowledge, getting ready for our Multiplication check.</p>
<p>Science</p> 	<p>In science, we will be learning about habitats and how to care for the environment in our local area. We will be looking at climate change and the impact this has on the wildlife. We learn about different types of habitats and how animals have adapted to their surroundings.</p>
<p>Computing</p> 	<p>In computing, we will be creating media and learning how to edit and enhance the images. We will explain how colours can be digitally enhanced and combined with other images for a set purpose.</p>
<p>R.E.</p> 	<p>In RE, we will be looking at a variety of religions and thinking about what we can learn about what is right and what is wrong. We will look at how these morals are taught within the different religions.</p>

ENRICHMENT AREAS OF LEARNING

<p>Geography and History</p> 	<p>We will be learning all about Anglo-Saxon and Viking life in Britain, learning to understand historical concepts such as continuity and change, cause and consequence, similarity, difference and significance, and use them to make connections, draw contrasts, analyse trends, frame historically valid questions. We will also collect, analyse and communicate with a range of data gathered through experiences of fieldwork that deepen our understanding of geographical processes.</p>
<p>MUSIC</p> 	<p>In music, we are learning to listen to and appraise music from The Beatles. We will be learning to improvise on a piece of music, and then compose our own pieces to perform in front of other people.</p>
<p>DT/Art</p> 	<p>In Art, we will be looking at sculpture, structure, inventiveness and determination. We will introduce the children to artists who have been inspired by birds so that the children can develop their own bird nests.</p>
<p>P.E.</p> 	<p>We will be completing swimming lessons and also developing our striking & fielding skills in Cricket. 4AC will continue to swim for PE at the start of term and 4RW will have swimming lessons at the end of Summer 1. Please check your emails for a letter confirming dates and details.</p>
<p>MFL</p> 	<p>This half term we will be learning how to discuss the weather in Spanish and write and perform a weather forecast.</p>
