

Highlees Reading News

Dear parents/carers,

We have come to the end of another amazing academic year at Highlees. It has been a privilege to watch our children grow over the year; not only in size but as readers too! All the teaching staff are impressed by the hard work and progress the children have made.

We absolutely love chatting with our children about the books they are reading and hearing their recommended reads. Why not ask your child to tell you about the book they are reading today? We cannot wait to hear about our children's summer reading in September! Look out for our **Summer Reading Challenge** below for some reading inspiration.

Wishing you all a wonderful, bursting-with-books summer break!
