

CLASS NOTICES

Class Text

Our class text is "the Iron Man" *Ted Hughes*

Reading

All children will read for at least 10 minutes every day in school and we hope parents will do the same at home. If you could sign your child's reading record when you have heard them read it would be really helpful as it will link into our class reading rewards system. Books will be changed when children have completed an Accelerated Reading Quiz.

PE

PE will take place on a **Monday & Wednesday (3SCS & 4LG)**

PE will take place on a **Wednesday & Thursday Swimming (3/4 ER)**

Please remember our PE kit is black shorts, leggings or joggers and white t-shirt. We will be outside whenever possible, so trainers would be best. Children can come to school in their kit on PE days.

Homework

Our homework will be sent out every **Friday** returning back into school by the following **Wednesday**. If you have any questions about the homework, please ask.

Please ensure your child brings in a named water bottle everyday.

Class Curriculum Information

**Year 3 & 4
Spring Term 2
2024/25**

Mighty Metals

ENRICHMENT AREAS OF LEARNING

<p>English</p> 	<p>In writing, we will consolidate our skills of story writing by creating our own mystery narrative based on the adventures of the Iron Man. In reading, we will continue to develop our reinforcing skills for answering questions linked to the text we are reading.</p>
<p>Maths</p> 	<p>In Maths we will be learning fractions, looking at numerators and denominators and introducing non-unit and equivalent fractions. In Maths, we will be consolidating our understanding of fractions. In Year 3, we will learn about non-unit and equivalent fractions.</p> <p>In Year 4, we will learn about mixed numbers and improper fractions as well as learning how to convert between the two. We will also be learning about perimeter and length.</p>
<p>Science</p> 	<p>In Science, we will be learning about forces and how they work. We will be exploring magnets and magnetism and learning about which metals are magnetic and which are not.</p>
<p>Computing</p> 	<p>During our computing lessons we explore 'Project Evolve' program to consolidate our knowledge about online safety.</p>

ENRICHMENT AREAS OF LEARNING

<p>Geography and History</p> 	<p>In History we will continue to investigate how life changed during the Iron age and looking at the development of jewellery, tools and weapons in this period.</p>
<p>R.E.</p> 	<p>In RE, we will continue to investigate how and why people pray. We will explore similarities and differences between how Christians, Muslims and Hindus pray and consider the significance of prayer in the lives of people today.</p>
<p>DT/Art</p> 	<p>In DT, we will learn about what the 'Digital Revolution' is and explore the significant moments in the history of digital products. We will be drawing and manipulating 2D shapes, using computer-aided design in order to write a program that will initiate a flashing LED algorithm.</p>
	<p>In PE, we will improve on key skills such as throwing, catching, maintaining possession and moving the ball. We will also continue to learn the importance of being honest whilst playing to the rules.</p>
