

As part of our Primary School Sports Partnership, each year we give Primary School Head Teachers the opportunity to nominate one pupil who they feel have demonstrated an outstanding sporting contribution to their school. The following awards are **Primary Sports Awards**.

This year there were 5 winners in this category and they were from Eyrescroft, Thorpe, Highless, Longthorpe and Ravensthorpe. They will have helped out at clubs in their school, shown great skill in the sports that they enjoy and also shown good leadership potential. These students have done fantastically well to become the winners of this year Primary Sports awards 2017, many congratulations to you all.
